“Choosing to have bariatric surgery was one of the biggest and most vulnerable decisions of my life, and I am so thankful I had Dr. Finley and his team by my side. From our very first appointment, I felt seen, heard, and genuinely cared for—not just as a patient, but as a person. Six months after surgery, I can truly say this journey has changed my life in ways I never imagined. Dr. Finley’s compassion, patience, and encouragement gave me the confidence to trust the process, even on the hard days. The ongoing support and follow-up care made me feel safe and never alone throughout recovery. Because of their dedication and expertise, I am healthier, stronger, and finally hopeful about my future. I will forever be grateful for the care I received and would recommend this specialist wholeheartedly to anyone considering this life-changing step.”
